

# Arne Van de Bemdt

STUDENT, IT SPECIALIST & SOFTWARE DEVELOPER

## WORK EXPERIENCE

August 2016

### SUMMER JOB

KBC Bank & Verzekeringen

📍 Aarschot

If you have a parent that works at KBC, you are allowed to apply for a summer job at KBC. So, in my last year of high school I applied. It wasn't the most interesting of jobs, but I had fun doing it and met a lot of very nice people.

March 2016

### INTERNSHIP

WISA

📍 Kessel-Lo

In my last year of high school I had to do an internship. Together with 2 other student I developed an app that allowed students to check their course schedule.

## WHO AM I?

Hello! I am Arne Van de Bemdt. I study Applied Information Sciences at the University Colleges Leuven-Limburg.

I'm in the second year of my studies and I chose for the software development trajectory. I am passionate about all thing IT and love developing apps and programs. My spare time is spend playing the drums and percussion for the past 10 years.

## EDUCATION

2016 - 2019

### APPLIED COMPUTER SCIENCES

University Colleges Leuven-Limburg

📍 Leuven

After studying IT in high school I chose to continue those studies. I'm now in the second year of my bachelors degree. I chose for the software development trajectory.

2014 - 2016

### INFORMATICS MANAGEMENT

Miniemeninstituut

📍 Leuven

In high school I already chose to learn something about IT. I learned how to build websites, how computers are build, how computers work, how to set up a network, what servers do and how to set them up, some basic programming, some basic scripting ... In the last year I did an Internship at WISA and build an app for them.
